Dear Judge Seibel:

The Government respectfully requests, pursuant to the E-Government Act of 2002 and the Southern District's ECF Rules & Instructions, Section 21, Privacy and Public Access to ECF cases, that Document 136 in the above-captioned case be sealed. This document, which was erroneously filed (as reflected on the docket) and is not publicly available at this time, is an unredacted copy of the exhibits to the Government's sentencing memorandum (Doc. 135), which contains financial account information. A redacted copy of the document redacting the financial account information was filed prior to sentencing as Document 137.

Sincerely,

DAMIAN WILLIAMS
United States Attorney
